

CITY of NORFOLK

Office of the Mayor

Kenneth Cooper Alexander, Ph.D.
Mayor

TO ALL ATTENDING
THE NORFOLK TASK FORCE ON AGING
45TH ANNIVERSARY CELEBRATION
"Left Behind - Older Adults and the Technology Divide"
FRIDAY, MAY 21, 2021

As Mayor of the City of Norfolk, it gives me great pleasure to congratulate the Norfolk Task Force on Aging, and all those attending the 45th anniversary virtual celebration. Norfolk Task force on Aging has been a conduit for sharing, networking, and providing resources for Norfolk's seniors. Since its inception, Norfolk Task Force on Aging, has provided services and educated seniors on consumer fraud, medical needs, nutrition and housing.

Through the efforts of committee leaders, members, and volunteers, the Norfolk Task force on Aging continues to provide new and innovative ideas through outreach activities that address the needs of the elderly through wellness fairs, scholarships, and resources. I commend the members of this task force for their hard work and dedication to the well-being of our community, and I want to give special recognition to the founding members who recognized the needs of seniors, and who have worked together as their advocates.

Again, congratulations and best wishes as you celebrate your 45th anniversary. May you have many more years of continued success and positive impact on the community.

Sincerely,

Kenneth Cooper Alexander, Ph.D.
Mayor
